

TWO BEDROOM

Bahia Mar Villa

Featuring garden, and oceanfront views, our stylish 2-bedroom, 2.5-bath Bahia Mar luxury villas averages 2,315 square feet, spread out over two floors. The first floor features the bedrooms and en-suite private marble bathrooms. The master bedroom also features French sliding glass doors that open onto an expansive private terrace with panoramic views. The second floor of the villa includes the living room, dining room, fully appointed gourmet kitchen with granite countertops, and a half bathroom. The spacious living room also features 8' French sliding glass doors that open up to an additional private terrace with spectacular views.
